DEDICATED TO PROVIDING DIRECT AND INDIRECT SERVICES TO PEOPLE WITH
CYSTIC FIBROSIS AND THEIR FAMILIES AND THE COMMUNITIES THAT SUPPORT THEM

Message from The President

Greetings All:

Well the holidays are finally over and it is time for us to get back to work. Time to set our priorities straight (make New Year's resolutions) and accomplish something. If you know me, and most of you do, you then know that I don't make resolutions. I feel they are a waste of time and if it you really wanted to do something, like Nike and Bo Jackson would say "JUST DO IT". So for '06 let's just "DO IT", let's all get out of our comfort zones and do something else to improve ourselves. For me, it will definitely be to work harder at being President of MPDCI. We have a couple of big things going on that will definitely rock, like the fund raising dinner on September 23. We will be working hard to make this event a success and hopefully an annual event. So please stay tuned for further developments; and remember it is always easier to do the easy thing, that is why it is easy.

Louie Ajini

Camper Scholarships:

After Camp Onkoi Benek we started by providing camper scholarships to individuals, which would allow individuals with Cystic Fibrosis to continue with a summer camp experience without being exposed to a large number of other children with Cystic Fibrosis.

If you are interested, please go to our website at www.mpdci.org to get your application.

Education Scholarships

Our educational scholarships are offering children and adults with Cystic Fibrosis an opportunity to help with the cost of continuing education. The scholarship is for up to \$300 each and may be applied for twice a year.

If you are interested, please go to our website at www.mpdci.org to get your application.

Lung Transplant Assistance:

In 1999 MPDCI started giving grants of up to \$5,000 to supplement the expense of a individual with Cystic Fibrosis undergoing either a single or double lung transplant. This grant is to be used to cover expenses of the transplant not cover by insurance or other means.

If you are interested, please go to our website at www.mpdci.org to get your application.

If you any questions about the above, please send a e-mail to info@mpdci.org or call 1-800-365-9140.
